Customer Reviews

An excellent format of bringing words of wisdom, inspirational for all leaders, together with a complementing verse from the bible and showing how the inter woven concept relates to a real life, one page story. The format of words of wisdom and bible verse on the left panel and the one page story on the right panel is an excellent way to present each concept. Each concept could be used for a prelude to a meeting or for a topic of a speech. After reading the book through once, one is inspired to start back through the book and employ adopting a concept-a-day approach for the next 160 plus days. Sure do hope that this is BOOK ONE of a series of God’s Little Devotional Book for Leaders.

This book is an excellent source for teachers. A quote for the day from the book posted on the whiteboard at the front of the classroom serves as a springboard for discussion. The quote can be selected to reinforce a point to be made that day or it can be selected at random. Even if the quote

is not discussed in class, it is read by all. The short, one page discussion related to the quote contained in the book is an excellent source for examples to be used in class. The book is an excellent tool to teach ethics and morals.

An excellent reminder/re-inforcer of focus on what matters in bite-sized brief statements, with one-line biblical quotes in support. Time-honored truths that inspire and lend guidance and clear vision toward honorable ends. For all denominations and the non-religious.

An excellent book for anyone to read, enjoy and gain a great deal of insight.
