oh my god, this book is amazing. my instructor told me to get it for the class but i enjoy it so much i wouldve gotten it either way!!! i mean reading the essays and doing the questions, well lets just say it led to more than one orgasmic experience. I actually ended up failing the class as i couldnt make it through a page without becoming so aroused by the pure literal perfection that oozed from every line, that i was forced to masturbate for several hours afterwards.

Great for my College course. I have never "rented" a book before online. Great experience.

Great book and glad I had it for my classes

Needed book for class at a great price
