Labiaplasty: Everything You Wanted To Know About Labia Reduction Cosmetic Surgery But Were Too Afraid To Ask

Synopsis

Sometimes looks do matter, whether it your face, hair style or the area down there. This book will shed light on one of the most taboo cosmetic procedures. Everything from finding the right doctor, how to talk to your GP about it, insurance coverage, alternative solutions, pre/post operation care and more. If you ever considered this surgery to make your lips look smaller, tucked in, not too baggy, or more symmetrical, this is a must read for you. Labiaplasty is proven to be effective in improving genital appearance and sexual functions. Has your labia been a major issue for you from a young age? - Do you feel deformed down there? - Do you feel self-conscious when you're naked? - Do you have constant discomfort throughout the day? - Do you ever try to avoid having sex? - Do you always have to rearrange yourself during the day? - Do you feel embarrassed and anxious for your sex life to change? - Do you feel a loss of self-esteem in sexual situations? Do you feel self-conscious wearing bathing suits, tight fitting clothing, or sheer lingerie? Labiaplasty improves body image appearance and confidence. Learn more about the surgery that will help you to be more comfortable when wearing the clothes and doing the sports you love. Start to feel 'normal' and improve your sex drive by no longer being embarrassed of your lady bits. Start feeling confident inside change rooms and stop restricting yourself from getting close to your intimate partners. Take control of your life and learn more about one of the fastest growing and taboo plastic surgeries for women.
