Customer Reviews

Excellent book; for the price I paid it had much more writing in it than I expected.

The book was too heavy. Some dialogues on the CD were so fast as to be unintelligible to anyone who was not a native speaker of Italian.

This product was in excellent condition, and met all of my expectations. It arrived promptly, when I needed it. Super!

The book comes with a CD which was not included. Also I would say that the number of lessons already filled in was substantial so they should have included a large eraser.

Book is OK. Paper quality is tough to write in the exercises. Major problem is it took so long to get to me.
