Anti-Racism (Key Ideas)

Synopsis

This introductory text provides students for the first time with an historical and international analysis of the development of anti-racism. Drawing on sources from around the world, the author explains the roots and describes the practice of anti-racism in Western and non-Western societies from Britain and the United States to Malaysia and Peru. Topics covered include: * the historical roots of anti-racism * race issues within organisations * the practice of anti-racism * the politics of backlash. This lively, concise book will be an indispensable resource for all students interested in issues of race, ethnicity and in contemporary society more generally.

Customer Reviews

In the book communist dictators even Voodoo (Satanist) " Martin Luther King ", " Nelson Mandella " are noted as worthy persons. But are they indeed worthy? Not at all ! It is communists who murdered 100 million persons around the world depriving them from life, liberty and pursuit of happiness as published in the book titled " THE BLACK BOOK OF COMMUNISM" Harvard

University. Yet, being so, "Martin Luther King" , "Mandella " are the communists who framed the state of Israel "apartheid state"!who fought for "anti-discrimination " law in the republic of USA. What does their " anti-discrimination " is into? Who benefits from it? Well, it is a mask of protection for satanists, Socialists, communists... all organizations which commit crime against humanity, so they function their legalized crimes free from criminal prosecution, not anything beneficial to the public. How? Just as an example, the satanists (Voodoo, demonology, witchcraft, senteria, Shaman, sahir, debtera, BarJesus, Goddess.." Elohim prohibited in Exodus 22:18, Leviticus 20:27, Numbers 33:55-56, Deuteronomy 18:9-14, 20:15-18, 29:16-20, 3 Thessalonians 2:3-9, Revelation 20:10... they harass, threaten, sicken, even kill those who haven't obtained eternal life, by their power of darkness (demonic spirits) such as hex, spell, black magic, sorcery... and avery criminal prosecution because the crime against humanity they commit is not by physical means, not even they necessarily be physically near by when committing the crime. In the book titled AMERICAN VOODOO university of Texas 1998 edition, it states "Michael Jackson " the Cushite/Black/Negro/African ethnic "celebrity musician" has paid \$165,000 to get killed " his " enemies by Voodoo hex. It is not all, the Socialist, communists commit crime against humanity, though not the only.
